

CLAIMS

What is claimed is:

(a) cutting a piece of glittery foil into a plurality of shredded

5 slips;

(b) cutting another piece of glittery foil into slips with

different geometric shapes;

(c) coiling the shredded slips and the slips with different

geometric shapes on one end by at least two threads and

10 forming a fluffy garland;

(d) disposing fixing pins on a hemispheric base;

(e) winding the fluffy garland on the hemispheric base and

fixing the fluffy garland by the fixing pins so as to form a

three-dimensional, hemispheric color ball.
